Subject: Naturopathica | Vitamin C & Neroli Dry Body Oil

Hi XX,

I hope you are having a great start to summer! As the weather is getting warmer, we are taking all opportunities to get outside and soak up the sun. The best feeling after a long summer day is a relaxing shower and feeling clean before bed. What better way to make you feel even better than using the new Vitamin C & Neroli Dry Body Oil to lock in that hydration and help with smoother shinier looking skin all summer long? The lightweight formula is easy to use best on damp skin and good for your skin as Naturopathica only uses clean ingredients giving your skin the best quality products it deserves. More details below.

Hope you can keep Naturopathica in mind for your upcoming stories. Founder Barbra Close is also available for expert interviews should you be interested.

Thank you,  
Chloe
